DESCRIPTION

The Cozy Log Cabin Exterior light features pine trees set behind the cabin. It is UL approved for wet locations. This item comes with a frosted glass cylinder which covers the bulb. The light source, which gives the effect of a warm log cabin lit from within, points downward. This rustic light is ideal for anyone looking to bring warm, rustic character to the outside lighting of their home. Mounts to a minimum 5 inch square board. Available only in powder-coated finish options.

Pictured in Finish #74-Forest Green-Rustic Brown Base.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
