### DESCRIPTION

The Rocky Mtn Floor Lamp - Mtn Horse features an 18in. wide by 12in. tall lampshade frame with our exclusive horse, fence, and spruce tree metal artwork. The lamp is made of heavy gauge steel, and has a diffuser choice between Almond or Amber mica. The light features a simple stand with a square base, four molded vinyl feet on the bottom to protect the floor's surface, and a three-way switch built into the socket. In order to protect the pieces from damage during shipment, minor assembly of the lamp is required; this consists of inserting the pole into the base, and tightening the two bolts. This floor lamp will bring rustic, decorative lighting to any log home, cabin or northwood lodge-themed room.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
