DESCRIPTION

The Cascade Desk Lamp - Alaska Moose stands about 26 inches tall and features our exclusive moose metal art on the front and a spruce tree on the back of the lamp. Spruce trees are also on each side. It has a round base with a shade material choice between Almond or Amber mica. The upper socket also has a 3-way switch, so that you can have just the base lit, just the upper lamp lit, or both lit. Lampshade (Item #720-KR) is sold separately. This rustic lamp is one of our most popular styles and will bring rustic character to any log home, cabin or northwood lodge-themed room.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
