DESCRIPTION

The Northridge Double Sconce - Barbed Wire/Horseshoe features two bulbs positioned sideways under a steel frame with laser-cut horseshoes and barbed wire images in the center band. It has a frost glass diffuser bottom and light projects both up and down. Synthetic mica is attached behind each image cutout to help diffuse the light. This Western-inspired sconce is really great for the hallways and will provide a warm accent to the walls of your home.

Pictured in Finish #02-Rust Patina.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
