## **Rocky Mountain Floor Lamp - Loon**

Floor Lamp Country Style

Product No.: M62664

Price: \$664.00

**Shade Choices:** 

## DESCRIPTION

The Rocky Mtn Floor Lamp - Loon features an 18in. wide by 12in. tall lampshade frame with our exclusive loon artwork on the front two panels, and cattails on the sides. The lamp is made of heavy gauge steel, and has a diffuser choice between Almond or Amber mica. The light features a simple stand with a square base, four molded vinyl feet on the bottom to protect the floor's surface, and a three-way switch built into the socket. In order to protect the pieces from damage during shipment, minor assembly of the lamp is required; this consists of inserting the pole into the base, and tightening the two bolts. This floor lamp will bring rustic, decorative lighting to any log home, cabin or northwood lodge-themed room.
