

Old Growth Pine Forest Sconce Wall Light Ski Cabin Style

Product No.: A11042

Price: \$408.00

DESCRIPTION

The Old Growth Pine Forest sconce features our trademarked steel pine trees set in front and behind with the medium-based lamping between. The unique tree images bring a taste of the outdoors, indoors, making this sconce ideal for anyone looking to add rustic character or log home lighting to their home. The trees in the front are hand-painted over rust patina finish and trees behind have our natural rust patina finish only. Covering the bulb is a frost clear glass diffuser, which shields the bulb from side viewing. Suitable for interior and damp locations only.

Pictured in Finish #04-Pine Tree Green-Rust Patina base.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
