DESCRIPTION

The Northridge Chandelier Small - Bison fixture features three steel bands arranged on top of one another, the center band with hand-cut bison images going around the circumference of the fixture. Behind each cutout is thin acrylic panels and a frost white glass bowl is attached in the center. This Southwest-inspired design is ideal for anyone looking for a small rustic chandelier to add Southwestern character to their log home, cabin or northwood lodge-themed room. A matching ceiling canopy, 3 feet of chain and 10 extra feet of wire are also included.
