DESCRIPTION

The Ridgemont Semi-Flush Medium - Mountain is 13 inch in diameter, 13 inches high and features our exclusive mountain art cutouts around the circumference of a steel band. Behind each cutout is a diffuser panel. The frosted glass bottom bowl detaches for bulb changing. For an unique addition to your rustic ceiling light, order one of the decorative Bottom Kits: a three-tree, 3D Spruce Cone or a 3D Pine Cone, any which can be ordered in the same or different color as the fixture. This light, ideal for both high and low ceilings, gives off an air of rustic sophistication that will add warm lighting and character to any log home, cabin or northwood lodge-themed room.

Pictured in Finish #02-Rust Patina.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
