DESCRIPTION

The Northridge Chandelier Large - Barb Wire and Horseshoe fixture features three steel bands- in your choice of finish- arranged on top of one another, the center band with hand-cut horseshoe images going around the circumference of the fixture. Behind each cutout are thin acrylic panels and a glass bowl - your choice of frost white or tea-stained - is attached in the center. This equestrian inspired design is ideal for anyone looking for a rustic chandelier to add cowboy character to their log home, cabin or northwood lodge-themed room. A matching ceiling canopy, 3 feet of chain and 10 extra feet of wire are also included.
