DESCRIPTION

The Ridgemont Semi-Flush Medium - Pueblo is 13 inches in diameter, 13 inches high and features our exclusive southwest pueblo art cutouts around the circumference of a steel band. Behind each cutout is a diffuser panel. The frosted glass bottom bowl detaches for bulb changing. For an unique addition to your rustic ceiling light, order one of the decorative Bottom Kits: a three-tree, 3D Spruce Cone or a 3D Pine Cone, any which can be ordered in the same or different color as the fixture. This Southwest-inspired design is ideal for anyone wanting a small chandelier to add rustic, Southwestern character to the entryway of their log home, cabin or northwood lodge-themed room.

Pictured in Finish #02-Rust Patina.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
