The Crestline Semi-Flush Tall - Pine Cone is 18 inches in diameter by 16 inches tall, and features three sets of pine cone branches positioned around a metal band. Each metal pine cone is handmade, and the branch is textured to look life-like with metal wire pine needles. This rustic semi-flush comes with the choice of either a frosted glass bowl (FC) or a tea-stained glass bowl (TS). The semi-flush features our standard Curved Side Pipes (HR), but for an extra charge, we also make the Pine Branch Arms with pines cones and needles (HP). A matching ceiling canopy is also included. This forest-inspired semi-flush will add a rustic, northwoods character to the hallways, kitchens or bathroom of their log home, cabin or northwood lodge-themed room.
