DESCRIPTION

The Smoky Mtn Quad Bath Vanity Light - Southview features four Smoky Mtn Extra small lanterns hanging at a slight upward angle from three steel arms. The front and side panels all feature our exclusive mission-style artwork. The lanterns also come with a diffuser material choice between Almond or Amber mica. The fixture attaches to the wall with a separate 4-inch tall fireplate, which allows for either a direct placement over a junction box, or 8 inches to the left or right of center. This mission-style bathroom vanity fixture will bring warm lighting and character to any cottage, log home, or craftsman-styled room. Hardwire is standard.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.

Note: We cannot guarantee that lights found in our Clearance Section will match a similar light ordered at the regular prices. This is because designs change over time, and finishes are done by hand and vary from day to day. However, when the Stock on Hand shows more than one light for the same Product No., all lights with this Product No. will match each other very closely. Also, there are no substitutions for the clearance lights and there are no additional discounts for the clearance lights, i.e., trade, dealer, contractor or coupon codes. Sorry, 30% off is the limit.

PLEASE NOTE-

This photo is just to show the light style, not the finish or glass you will be getting. Feel free to look at the *finish and glass choices* at the bottom of this page to see your options.
