

Pine Grove Sconce Wall Light Cabin Style

Product No.: A10742

Price: \$270.00

DESCRIPTION

The Pine Grove sconce features our trademarked steel pine trees set in front and behind with the medium-based lamping between. This sconce is ideal for anyone looking to add rustic character or unique log home lighting to their home. The trees in the front are hand-painted over rust patina finish and trees with only our natural rust patina finish are behind. Covering the bulb is a frost clear glass diffuser, which shields the bulb from side viewing. Suitable for interior and damp locations only. For an exterior version of this light, see the exterior lights section.

Pictured in Finish #04-Pine Tree Green-Rust Patina base.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
