

Coho Salmon Sconce

Wall Light Log Cabin Style

Product No.: A12361

Price: \$458.00

DESCRIPTION

The Coho Salmon Sconce features our unique seven-step hand-painted finishing process. The painting technique and color add a lifelike characteristic to the school of fish, making the sconce both decorative and rustic. Behind the fish is a frost clear diffuser covering the sockets to shield the bulb from top and bottom viewing. This sconce is ideal for anyone looking to bring unique rustic lighting to the walls of their log home, cabin or northwood lodge-themed room.

Pictured in Finish #05-Fish Stain-Rust Patina base.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
