DESCRIPTION

The Northridge Foyer Small - Pueblo fixture features three steel bands arranged on top of one another, the center band with cutouts of Southwest-inspired images going around the circumference of the fixture. Behind each cutout is synthetic mica and a frost white glass bowl is attached in the center. This light is ideal for anyone looking for a small, rustic chandelier to add Southwestern character to their log home, cabin or northwood lodge-themed room. May also be ordered in a compact fluorescent version for an additional charge. A matching ceiling canopy, 3 feet of chain and 10 extra feet of wire are also included.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
