DESCRIPTION

The Smoky Mtn. Double Bath Vanity Light - Elk features two Smoky Mtn small lanterns hanging at a slight upward angle from two steel arms. The front panels feature two Elk images facing each other, and a single spruce tree on the side of each lantern. The lanterns also come with a diffuser material choice between Almond or Amber mica. The fixture attaches to the wall with a separate 4-inch tall fireplate, which allows for either a direct placement over a junction box, or 8 inches to the left or right of center. This bathroom light is ideal for bringing a rustic character to any log home, cabin or northwood lodge-themed room. Hardwire is standard.

Pictured in Finish #27-Rustic Brown with Amber Mica Shade.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
