Note: We cannot guarantee that lights found in our Clearance Section will match a similar light ordered at the regular prices. This is because designs change over time, and finishes are done by hand and vary from day to day. However, when the Stock on Hand shows more than one light for the same Product No., all lights with this Product No. will match each other very closely. Also, there are no substitutions for the clearance lights and there are no additional discounts for the clearance lights, i.e., trade, dealer, contractor or coupon codes. Sorry, 30% off is the limit.
