The Wasatch Mirror - Loon features a loon with cattails. Here we have taken our popular Wasatch Bath light and added a mirror frame for use in the bathroom or entry-way. Offered with a choice of eight different styles and colors of glass globes, this fixture gives abundant light and rustic character to any bathroom. All frames include a 26 inches tall x 17 inches wide mirror glass, which is separately packed inside the shipping box to prevent damage. Some minor assembly required. Hardwire is standard.

Note: This fixture will accept a screw-in type LED bulb of equivalent wattage output.
